Details pursuant to SEBI Circular no. SEBI/HO/DDHS/DDHS-RACPOD1/P/CIR/2023/172 – 'Ease of doing business and development of corporate bond markets – revision in the framework for fund raising by issuance of debt securities by large corporates (LCs)' dated 19th October, 2023:

Pursuant to the SEBI Circular no. SEBI/HO/DDHS/CIR/P/2018/144 dated November 26, 2018 for Large Entities /Corporates ('SEBI Circular'), as amended, the Company was identified as a Large Corporate basis position as on March 31, 2023. Accordingly, the Company was required to raise not less than 25% of its incremental borrowings of FY2023-24 by way of issuance of debt securities over a contiguous block of three years i.e. till FY2025-26.

In FY2022-23, the Company borrowed primarily Market-linked debentures within the debt securities ambit, which had limited market appetite in FY2023-24. The Company also diversified its debt securities mix by undertaking its inaugural public issue of Non-Convertible Debentures. The Company received robust support from the Banking system, which preferred Term loans as the borrowing product, rather than debt securities. The Company also raised Non-Convertible Debentures of tenor less than 1 year, which did not qualify as debt securities per the SEBI Circular.. Due to the said reasons, there was a shortfall in the above requirement of raising 25% of incremental borrowings in FY 2023-24.
